

# Willow Class

April 2023

## Looking to Term 5

Wow time is flying! Let's look at what exciting things we have coming up in Term 5...

History - our topic is 'The Great Fire of London'.

Science - Plants.

RE - our big question will be, 'Who is a Muslim and what do they believe?'

There are also many other things to look forward to this term:

- ⇒ Online Safety Week - 17th April
- ⇒ Earth Day - 24th April
- ⇒ World Daily Mile Day - 27th April
- ⇒ Charity Week Class Planning Week - 22nd May
- ⇒ Open Classroom - 23rd May

PE continues to be on a Monday and Thursday, remember PE kits are to be worn to school on those days.

Children should always have a water bottle with them that can be refilled. This is especially important now the weather is going to start warming up.

Don't forget to write in your Willow's contact book EVERY TIME they read at home, we expect this to be 3x a week minimum.

Thank you for your continued support 😊
