

Cherry Class Newsletter

Our topic in Term 6 is.... "Growing"

We will be investigating how plants grow and even trying to grow our own. We will be visiting the forest to look at the trees measuring and comparing sizes and understanding how they grow. We will take a look at animal life cycles and how we have also grown from a baby to big children; also discussing what we would like to be when we get even bigger.

We will also be celebrating world environment day on the 5th June, understanding how we can care for our local area as well as getting creative and reusing old bottles, boxes and packets to create some amazing new models.

For our older children we will be supporting their transition to big school. We will be looking at photos and uniforms of their new school as well as some fun activities to support school-readiness.

Suncream

As the sunnier days are fast approaching (hopefully), we are asking that you apply suncream to your child before they come to Nursery. Suncream is provided and will be placed on the lunch trolley for you to use should you need it. If your child is sensitive to any suncream, we advise you to supply your own named bottle, which we can reapply to your child, as needed.

Important Dates

- **Monday 5th June – Term 6 starts**
