

# What is happening in Term 3?

**English:** In term 3 we will be reading 'Charles Darwin's, *On the Origin of Species*' by Sabrina Radeva. We will produce a variety of writing based on this book such as discovery narrative, an explanation and a non-chronological report.

We will also be reading 'The Silver Sword' by Ian Serraillier, which links to our topic of World War 2.

**Science:** This term our topic in science will be 'Animals Including Humans'. We will be focusing on the circulatory system, the heart, and how diet/lifestyles can affect heart rate.

**PE:** In PE this term we will be doing Netball on a Tuesday and we will be having swimming lessons at the Sheppey Leisure Complex on a Friday.

**History:** For our history topic we will continue looking at WWII. As this is such a vast topic that students often thoroughly enjoy, this will be continued from our WWII learning in Term 2.

**Maths:** For term 2 we will be learning about ratio and algebra!

**RE:** Our key question in RE this term will be 'Humanism - What is Humanism?'
