

Rowan Class Newsletter

Dear Parents and Carers,

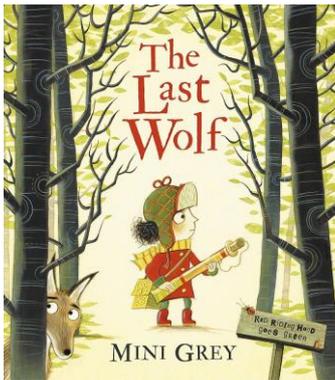

Welcome back everyone! I can't believe it is the final term of year 1. What a year it has been. We are so proud of everything you have done so far and are looking forward to what we have planned for this term.

Reading - Please ensure you are reading with your children at least three times a week and share books every day. Please record this in contact books and ensure that these are in **every day**. We are really pleased that more children are wanting to attend our reading club at lunchtime.

Uniform

On PE days, the children should come in in their kits and wear them all day. **NO** earrings are to be worn during PE, they are not allowed to be taped by staff in school, please ensure your child can take them out themselves, they are taped at home or that they do not wear them at all. Thank you.

Our New Text!

Contact:

Please feel free to contact me via Dojo whenever you need to or speak to me on the gate at the end of the day.

Home Learning

English - This term we are looking at the book, The Last Wolf. Later in the term we will be exploring writing recipes. Please explore this at home by writing your own recipes together.

Please also see the **Little Wandle** parent support page to see how we say the phonemes (sounds) we are teaching your children. It can be helpful when reading with them at home.

Maths – We will be learning to tell the time to the hour and half hour. Please practise this at home with your child.

Please continue to explore the 2's, 5's and 10 times tables through songs before looking at them next term. This is also something you could do at home.

Science - We are looking at weather throughout the year. Please support this at home by creating your own weather diary.

Geography – This term we are completing our fieldwork unit. We will be visiting our local park. You can support this at home by drawing your own maps from home to your closest park and by recording the features of your park.

PE days are Wednesday and Thursday.

In term 3 we will be learning about:

English – The Last Wolf (Narrative and Recipe)

Phonics – Please practise reading the tricky words that were sent home. Let me know if you need a new sheet.

Maths – Place Value to 100, Money and Time.

Geography – Fieldwork (Our Local Park)

Science – Weather

RE – Who is Jewish and what do they believe?

PE – Hit, catch and run and sports day practise.

ICT – Introduction to animation
