Kyffin Williams
Relationship between colour and mood, using black and white to create tints and tones

Alberto Giacometti.
Focus on sculpture of the human form, shape and modelling

In addition, all year groups will develop and create presentation techniques and drawing skills in a variety of mediums. This will include use of **textures, observational drawings, colour, pattern, texture, line, shape, form and space.**

Artists studies will support pupils to confidently say what they like and don't like about a piece of work, produce pieces of work inspired by artists, say how their work is different or similar to the artist work.

Year One

Year Two
