

What is happening in Term 3?

English: In term 3 we will be reading 'Charles Darwin's, *On the Origin of Species*' by Sabrina Radeva. We will produce a variety of writing based on this book such as discovery narrative, an explanation and a non-chronological report.

We will also be reading 'Letters from the Lighthouse' by Emma Carroll, which links to our topic of World War 2.

Science: This term our topic in science will be 'Animals Including Humans'. We will be focusing on the circulatory system, the heart, and how diet/lifestyles can affect heart rate.

PE: In PE this term we will be doing Netball on a Tuesday and we will be doing gymnastics on a Friday.

History: For our history topic we will continue looking at WWII. As this is such a vast topic that students often thoroughly enjoy, this will be continued from our WWII learning in Term 2.

Maths: For term 3 we will be learning algebra, decimals, fractions and percentages!

RE: Our key question in RE this term will be 'Humanism - What is Humanism?'
