### Term 3

Welcome to Term 3!

This term our English text is called 'The bog baby'. Within our text exploration we will be designing our own

mythical creature, writing a narrative containing our new character and end the term learning how to write instructions.

In Maths we will be learning how to group amounts equally in an array in order to learn how multiplication and division is represented. The children will continue to have time to learn their times tables using technology to access TT Rock Stars.

In science we will be exploring animals including humans. We will be learning about life cycles, how we grow and change and what animals and humans need to survive. This will include healthy eating and what a balanced diet looks like.

The weather is wet and cold so please do provide your child with a warm coat, wellies and a hat.

### Uniform

Children are expected to wear uniform everyday. Last year we introduced active uniform which means that children can wear black trainers, black leggings/joggers, if they wish allowing them to be more active during play and lunch times. Smart grey trousers and skirts/pinafores are still part of the uniform too. Plain white polo shirts and school jumpers/cardigans should still be worn. Please make sure your child's jumper/ cardigan is labelled with their name.

On PE days, the children should come in in their kits and wear them all day. NO earrings are to be worn during PE, they are not allowed to be taped by staff in school, please ensure your child can take them out themselves, they are taped at home or that they do not wear them at all.

Please could the children have wellies in school, so that we can go on the field! Thank you.
