Term 2

Welcome to term 2!
This term we will be learning about a text called 'The night gardener' which is a lovely story with many opportunities for

interpretation and learning. We will be writing a diary as one of the main characters and practise our description writing skills.

In maths we will be learning about 2D and 3D shapes, their properties and new language such as vertices. We will also be looking at money in all of its forms. We will learn how to identify coins, paper money and learn how to give change using what we learned about adding and subtracting number.

In science we will be digging further into materials and how materials can be changed through more investigations. We will also be having a big focus on TT Rock Stars, so please do practise these at home with your children on the app.

Working nearer to Christmas, the children will be rehearsing for this year's nativity called 'The midwife crisis'. The dates will be released later into the term.

Uniform

Children are expected to wear uniform everyday. Last year we introduced active uniform which means that children can wear black trainers, black leggings/joggers, if they wish allowing them to be more active during play and lunch times. Smart grey trousers and skirts/pinafores are still part of the uniform too. Plain white polo shirts and school jumpers/cardigans should still be worn. Please make sure your child's jumper/ cardigan is labelled with their name.

On PE days, the children should come in in their kits and wear them all day. NO earrings are to be worn during PE, they are not allowed to be taped by staff in school, please ensure your child can take them out themselves, they are taped at home or that they do not wear them at all.

Please could the children have wellies in school, so that we can go on the field! Thank you.

Class Dojo

Please message me through Dojo if you have any messages, questions or concerns. Also, look out for the class updates on the class story.
