

Willow Class

Year 2

Class adults:

Class teacher

Miss Bell

Teaching Assistants

*Mrs. Whitehead, Miss
Newton, Miss Jacobs*

Term 4

Welcome to Term 4!

This term our English text is called 'Grandad's island'. Within our text exploration we will be

creating a descriptive poem, learning new language to apply in our writing, and will be writing our own narrative of the character's journey. We will then be writing an information fact sheet about an animal of the children's choice, finding out what they eat, how they live and an interesting fact!

In Maths we will be continuing to learn multiplication and division. Please continue to learn TT Rock stars at home. We will be then moving on to 3d shape and their properties, learning about mass and also capacity. This will be done practically alongside work sheets to consolidate their learning.

we will be exploring animals and their habitats. We will be investigating a variety of different habitats and microhabitats.

We will also be going to the library this term! 😊

P.E

*Monday
and Thursday*

Home learning:

Read every day

TT Rockstars

Uniform

Children are expected to wear uniform everyday. Last year we introduced active uniform which means that children can wear black trainers, black leggings/joggers, if they wish allowing them to be more active during play and lunch times. Smart grey trousers and skirts/pinafores are still part of the uniform too. Plain white polo shirts and school jumpers/cardigans should still be worn. **Please make sure your child's jumper/ cardigan is labelled with their name.**

On PE days, the children should come in in their kits and wear them all day. NO earrings are to be worn during PE, they are not allowed to be taped by staff in school, please ensure your child can take them out themselves, they are taped at home or that they do not wear them at all.

Please could the children have wellies in school, so that we can go on the field! Thank you.

Class Dojo

Please message me through Dojo if you have any messages, questions or concerns. Also, look out for the class updates on the class story.
