Miss Jacobs

This term our English text is called 'The king who banned the dark'. We will be writing a persuasive letter to the King to ask that we keep the dark! There is a lot of beautiful vocabulary the children will be learning this term such as majestic and magnificent.

In Maths we will be learning fractions. We will be starting with what each part of the fraction will mean, be able to recognise a whole, a half and progress to a quarter. We will then learn what a third means. This will be learned through practical work alongside the work presented by White rose (our mathematical scheme). Although this may seem tricky for the children to grasp, they will thoroughly enjoy the partitioning of food with their friends.

In history this term we will be investigating Kings and Queens from the past. We will be looking at where they lives, the impact they had and how they lived their lives.

Uniform
Children are expected to wear uniform everyday. Last year we introduced active uniform which means that children can wear black trainers, black leggings/joggers, if they wish allowing them to be more active during play and lunch times. Smart grey trousers and skirts/pinafores are still part of the uniform too. Plain white polo shirts and school jumpers/cardigans should still be worn. **Please make sure your child's jumper/ cardigan is labelled with their name.**
On PE days, the children should come in in their kits and wear them all day. NO earrings are to be worn during PE, they are not allowed to be taped by staff in school, please ensure your child can take them out themselves, they are taped at home or that they do not wear them at all.

Wednesday 23th April if your child attends beavers, guides or rainbows then they are welcome to come into school in their uniform.
