

## Beech Class – March 2026

Remember to read and practise times tables and spellings. This is **HOMEWORK** and the expectation is that the children do this every night. Our PE days will continue on a Monday with tennis. JagTag will be returning on Friday afternoons.

Remember we have an active wear uniform policy where the children can wear **blue/black/grey** non branded joggers, leggings or shorts, black trainers and white t-shirt.

### Important Dates

Monday 20th April – First day of Term

Monday 4<sup>th</sup> May - Bank Holiday

Wednesday 20<sup>th</sup> May - Open Classroom

Friday 22<sup>nd</sup> May – End of Term

### Looking Ahead

Next term our focus will be Geography, specifically looking at volcanoes and earthquakes – we will be doing our own WOW experiment to engage the children in the first week back. In Maths, we will start the term looking at statistics, then position and direction before moving onto shape. We will be starting a new class novel – The Malamander – a creepy, fantasy adventure story set in the mysterious Eerie -on-Sea.

What does it mean to be Muslim in Britain today? is our learning question on *RE* next term. An interesting unit, with lots of golden threads throughout showing how similar different religions are.

In Science, we are learning about Animals including humans and how they develop physically from gestation through to old age. In English, we will be writing an instruction manual on den building – hopefully spending some more time back in the Forest.

Have an enjoyable Easter break – see you on Monday 20<sup>th</sup> April.
