

What is happening in Term 6?

English: In term 6 we will be working on multiple units including reading 'Hansel and Gretel' by Neil Gaiman, as well as multiple video clips. This will include writing character descriptions, non-chronological reports, recounts and dialogue.

Science: Our science topic for term 6 is 'light'. We will be looking at the human eye and how it works, looking at how shadows are formed, how light is reflected and what makes up the light spectrum. This will include a mixture of theory and practical lessons.

PE: Tennis will be the focus of PE lessons during term 6. We will focus on tennis techniques as well as playing various tennis games. PE will continue to be on Tuesday and Fridays.

Geography: During term 6 we will be working with Farnham homes to conduct a local field study. We will be learning about the new housing estate being built next to the school, how it is built and how they consider the environment.

Maths: For term 6 we will focus on consolidating our learning and doing maths investigations.

RE: Our key question in RE this term will be 'What kind of king is Jesus?'
