

What is happening in Term 5?

English: In term 5 we will be reading 'Shackleton's Journey' by William Grill. This book is a non-fiction text about Ernest Shackleton's perilous journey to the Antarctic. From this we will do a variety of writing including narratives and diary entries.

Science: During term 5 we will be looking at electricity. We will investigate how circuits are formed, different components that could be used and their various functions, what a cell is made of and how to fix circuits.

PE: Cricket and Quidditch will be the focus of PE lessons during term 5. We will continue to strengthen our cricket from term 4 as well as starting a brand new sport in Quidditch!

Geography: In term five we continue our look at the country of Brazil. We will look at Brazil's physical and natural landmarks, their economy, and many of the cultural influences that make Brazil unique.

Maths: For term 5 we will focus on consolidating our learning from this year in preparation for SATs.

RE: Our key question in RE this term will be 'What can be done to reduce racism? Can religion help?'
