

What is happening in Term 5?

English: This term we will be reading 'Hitler's Canary' by Sandi Toksvig. This book details the story of a Danish family during WWII that work in a local Copenhagen theatre. We will be basing English lessons on this book as well as looking at some video clips to base lessons on.

Science: During term 5 we will be looking at electricity. We will investigate how circuits are formed, different components that could be used and their various functions, what a cell is made of and how to fix circuits.

PE: Athletics will be the focus of PE lessons during term 5. We will look at various skills needed in athletics as well as multiple athletic events that feature in the Olympics.

History: For our history topic we will continue looking at WWII. This will include looking at the role the RAF played in the defence of Britain and how WWII ended.

Maths: For term 5 we will be moving on to angles, properties of shapes and co-ordinates!

RE: Our key question in RE this term will be 'Is it better to express your beliefs in arts and architecture or in charity and generosity?'
